A Bit of Humor

 While on holiday, a Past Master decides to try horseback riding, even though he has had no lessons or prior experience. He mounts the horse, unassisted, and the horse immediately springs into motion.

It gallops along at a steady and rhythmic pace, but the PM begins to slip from the saddle. In terror, he grabs for the horse's mane, but cannot seem to get a firm grip. He tries to throw his arms around the horse's neck, but he slides down the side of the horse anyway.

The horse gallops along, seemingly unaware of its slipping rider. Finally, giving up his frail grip, the PM attempts to leap away from the horse and throw himself to safety. Unfortunately, his foot has become entangled in the stirrup, he is now at the mercy of the horse's pounding hooves as his head is struck against the ground over and over.

As his head is battered against the ground, he is mere moments away from unconsciousness, when to his great fortune, Frank, the Wal-Mart greeter, sees the Past Master's dilemma and unplugs the horse.

Greetings From the South

Election time once again is almost upon us. I look forward to the upcoming year and hope that this year will be a productive and memorable one.

My visit to the Grand Lodge was a great experience and I look forward to my next visit there. A visit to the Grand Lodge under any circumstance is an honor.

Although I missed the second meeting in October, I will not be missing the next and look forward to seeing you all there.

Beau Boyd, Junior Warden

Order of Eastern Star Chapter #40

I'm sorry to inform you that the Worthy Grand Matron called and paid us a visit at our last meeting. As we have been unable to have a quorum at too many meetings, she explained our choices to us. Because we could not see an immediate answer to the problem, we chose to surrender our charter. We are paying our bills for this year. Our name and title will be held in the Grand Chapter Office so that if some miracle should happen in the future, we can reestablish the same chapter. We did have a quorum for that meeting and there were sad faces and the hope of another solution, but we could not see another choice as possible at this time. We plan to get together casually and keep track of one another. We may be able to establish a social club. We thought we had time to work this out, but we were wrong.

Harney County Shrine Club

2008 Food Caravan

Everything went as planned, and it was another very successful gathering of Nobles. The Food Caravan departed from Ontario, on October 25, as usual. Harney County Shrine Club was right in the middle of it, and without fail, rose to the occasion with a very substantial collection of food for the Portland Shrine Hospital. The day culminated in a great banquet at the Shrine Center that evening.

Motivation implies movement. It means the difference in getting up and doing something rather than just sitting there and doing nothing or letting someone else do it - that is apathy and indifference. Webster defines motivation as "causing or having the power to
